

Rehoboth Rising Mothers Village

Founding Circle

Rooted. Rising. Restored.

Together, We Build Legacies.

One Mother. One Child. One Future.

The Vision

Rehoboth Rising Mothers Village is a healing-centered residential community designed to support young mothers as they rebuild their lives through housing, education, workforce development, financial literacy, parenting support, and emotional wellness.

Nestled within Rehoboth Estates and supported by Greenhouse Grubs and Healing in the Woods, this innovative model provides mothers and children with a safe environment where they can learn, heal, grow, and create a pathway toward long-term independence.

The Founding Circle is a distinguished group of visionaries who believe that changing the future begins by investing in mothers today.

Their leadership gifts help establish the physical spaces and supportive environments that make transformation possible.
